## OUR STORY

**Marsden Hotels & Resorts was established in July 2012. Our people are our greatest asset and it's the inspiration from our people, their ideas, energy and vision that drives our business forward. He Tangata He Tangata He Tangata**

**From humble beginnings, we established a team with diverse talent & experience, and our vision was to provide an amazing and enjoyable accommodation experience for people of all ages supported by a level of service in hospitality that cannot be surpassed.**

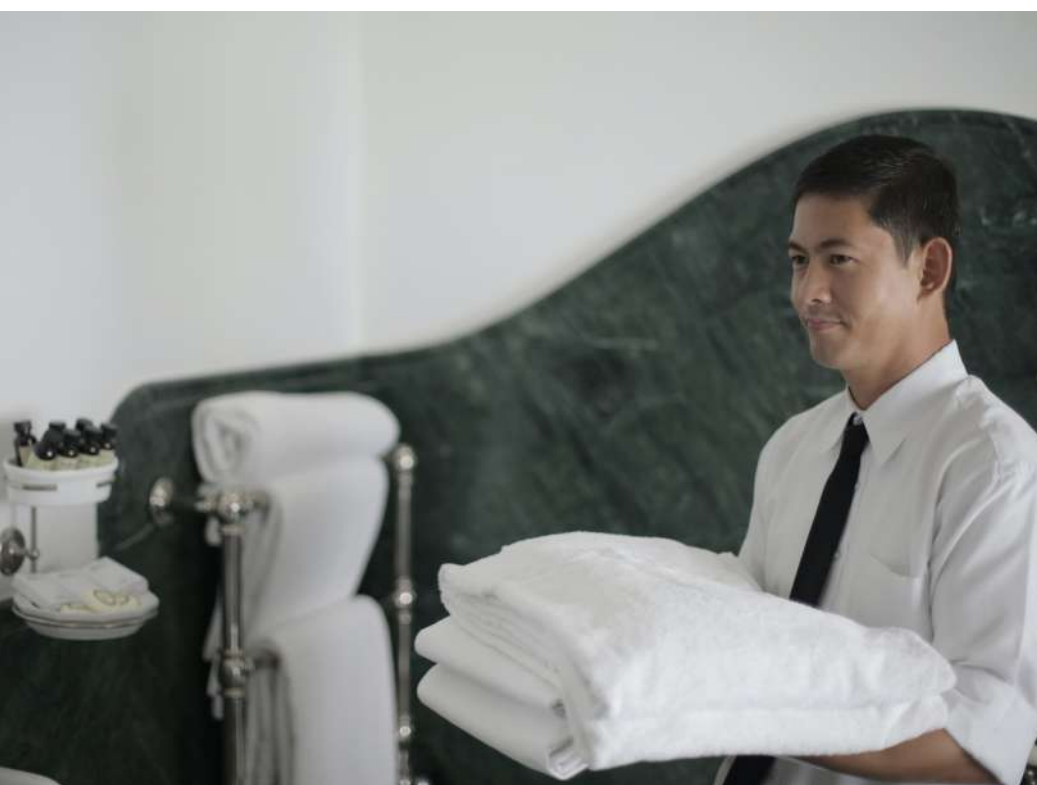

**Ten years on, we stand true to that vision, and now proudly manage and operate 13 hotels throughout New Zealand and growing as well as Castaways Resort, an amazing bespoke retreat on Kariotahi Beach South West of Auckland.**

**We gave life to the name Marsden Hotels & Resorts out of respect and admiration of the achievements of the late great Reverend Samuel Marsden who lived 1765 - 1838.**

**Marsden was a man who was admired by many on both sides of the Tasman, as a visionary, with strong commercial acumen, great relationship skills and a genuine love for people and how strategic thinking and planning can help communities prosper.**

**Marsden Hotels & Resorts own and operate a portfolio of successful accommodation businesses throughout New Zealand while also providing independent consultancy and property management services to the industry.**

**With affiliated partners we own and operate a combined portfolio of 4-5 star accommodation properties across New Zealand. These include the majority of the Ramada and Wyndham Garden properties throughout New Zealand.**

**Our team at Marsden Hotels & Resorts are like family**

**And like all families, all our individual team members share some winning characteristics.**

**As a team, we work better together we trust and support each other, we do the right thing and we welcome different perspectives.**

**All this enables us to make a difference to guests experiences when they stay with us.**

# Your Safety is Our Priority

## Our commitment for health and safety to you and our employees

We are undertaking the following measures to maintain a healthy environment:

- We are working with key industry associations to ensure a coordinated approach. There is also increased communication with our partners and government public health agencies.
- We are following the health guidelines provided the NZ Ministry of Health and WHO recommendations
- We are further reducing risk by exercising additional preventative measures which include but are not limited to: increased frequency of cleaning and disinfecting throughout our hotel
- We have increased our cleaning schedules in all public areas with a particular focus on hand railings, bathrooms and doors, using a suitable disinfectant.
- Hand sanitiser and signs have been placed in all public areas for guests and visitors to use.
- Reinforcement of team personal hygiene, proper handwashing and use of alcohol-based hand sanitisers. Additional hand sanitiser is also provided in all back of house areas for our teams.

WHILE TRAVELLING IN NEW ZEALAND I WILL
